I was also a Representative on the Parent Advisory Council with the Whiteriver Elementary School throughout the time that my children attended. I worked closely with other Parent Advisory Council Members and Mrs. Myrna Hillyard on school related decision making. At that time, I was a Law Enforcement Officer and during my free time I would visit the school to speak to the children on a variety of prevention issues. The issues included; Drug & Alcohol Abuse, Suicide Prevention and avoiding Dropping Out of school. A highlight of this fundraising was the end of the school year trips that sent our six grade students to Disneyland, Sea World and Knott's Berry Farm in California.
